Sir,

No. 4166-D1/50 dated 27th October, 51.

Sub: INDUSTRIES- Sericulture- Government Silk Filatures Kollegal- Damage caused to cocoons by rats during 1950--1951 -- Proposals to write off loss- Submitted.

Ref: (1) G.O.No.Ms. 4670 Development dated 30/9/1947.
(2) G.O.No.Ms. 4800 Development dated 23rd September, 48.

During the year 1950-51 a quantity of 792 lbs. Green weight (99 lbs. dry weight) of cocoons was damaged by rats in the Government silk filatures, Kollegal. The Sericultural Expert, was permitted to dispose them off along with the pierced cocoons, as they cannot be put to any use. The purchase value of the 792 lbs. of cocoons is reported to be Rs. 1577--0--8 and when sold a sum of Rs. 385--10--9 only was realised. The net loss sustained by Government comes to Rs. 1191--5--11 which has to be written off. I enclose herewith two statements showing the quantity and value of the cocoons damaged by rats monthwar.

In this connection, I invite reference to Government memorandum No. 85647-M1/50 Development dated 26th October, 1950 and to this office letter No.4006-R1/50 dated 10-10-1950 thereon. As explained therein the Executive Engineer, Public Works Department, Salem Division, Mettur Dam was asked to prepare an estimate for the conversion of the existing cocoon godown into a pucca rat-proof godown, and an estimate for Rs. 32,000 was received from him. I have suggested to the Executive Engineer, certain modifications and I have asked him to revise the estimate accordingly. I shall submit final proposals in the matter to Government on hearing from the Executive Engineer.

Meanwhile I request that Government may be pleased to sanction the write off of the loss of Rs. 1191--5--11 arising on account of the damage caused to the cocoons by rats in the Government Silk Filatures, Kollegal during the year 1950-51.
